

Of 611 Ohio school districts, only 32 received the best possible ratings for each of the last 8 years.

This chart ranks those 32 districts in order of their average total cost per student, for the 2000-2001 through 2006-2007 school years. (2007-2008 financial data is not yet available as of 13 October 2008).

District	Name	Average Expenditure Per Student	Average % Spent On Administration	Lowest to highest
48587	St Henry Consolidated Local	\$6,879	10.16%	1
48116	Avon Local	\$7,139	12.33%	2
